USA RUGBY

All players must understand that the
sport of rugby is a contact sport that may
result in injury. To help prevent any
injuries please take the time to read our
safety guidelines and exhibit
sportsmanship at all times. On and off
the field.

****** We will start the matches at 8:00am.**
So, Captains should be at the main tent
at 7:30am to check-in. Check your team
and follow the schedule closely while
checking the progress of the tournament.
You must be ready and waiting to get on
the pitch every time you are scheduled to
play. NO grace periods for late teams.

Please read these important items

1. The food court will be located by the Rockaway Little League Clubhouse. This will give everyone a better selection of food and beverage during the day. Also, “real” bathrooms are available.
2. Each team is permitted to bring their own beverages to the park. There is only one rule. NO GLASS CONTAINERS OR BOTTLES! Broken glass and rugby does not mix well. So, it’s BYOB in cans or plastic.
3. Each team gets a garbage bag. Please remove your garbage from your area and place it in the designated area.
4. Medical staff is from Downstate Medical Hospital – report all injuries to the main team and discuss the injury with a doctor. A FDNY ambulance will be stationed near the park, if transport is needed. BAYVIEW URGENT CARE INFO IS AVAILABLE
5. Enjoy yourself. Between matches, take a walk to the food concession area, park or the beach. Stay covered from the sun with “sunblock” and bring Easy-off bug spray for the early morning pests. Bring plenty of water. Water access is available
6. Bring your full rugby kit with you. Only t-shirts will be available at the main tent.

Thank you,
Rockaway Beach Rugby 7’s Organizing Committee
